

NEW BUILDS

40 years of experience working within the strict planning conditions laid down by the Peak District National Park Authority. This combined with local knowledge proves invaluable when designing new build properties. We have a wide experience of working with private clients and property Developers to ensure that their proposals achieve the best possible results.

CONVERSIONS

Working closely with our clients, our team identifies the best way to enhance their property; be it a redesign of existing properties or extension and internal alterations of listed buildings, we provide expert architecture and interior design advice along with other members of our professional team.

WATCH COLLECTORS, MAYFAIR

We produced the detailed design of the first showroom for the brand Watch Collectors, a successful retailer of high end luxurious watches in Mayfair, London.

CW SELLORS FINE JEWELLERY & WATCHES

We are progressing a number of projects for C.W.Sellors, including the design and refitting of retail showrooms in town centres to include specialist watch display areas for TAG Heuer, Breitling IWC & Gucci.

CHEADLE HULME DENTAL & COSMETICS

Our most recently completed dental project is Cheadle Hulme Dental & Cosmetics, the conversion and extension of a Natwest Bank into a six surgery practice. We worked with the Client to create a sophisticated interior design concept throughout, paying particular attention to updating & strengthening the brand identity.

KISSDENTAL

We have worked on the rapid expansion of Kissdental from the initial interior design of their three practices, then in their later expansion continuing the brand identity in Alderley Edge, Knutsford and Liverpool. All aspects of interior finishes, lighting & furnishings have been established to create a recognised brand.

THE MIDLAND HOTEL, MANCHESTER

The iconic listed hotel in the centre of Manchester was worked on for Q Hotels over a number of years to upgrade all departments of the hotel. This started with "Mr Coopers House & Garden", winning the "Condé Nast" award for the best cocktail bar in the UK. New tea room, bar/lounges & bedrooms enhancing the interiors of the hotel.

CHESTER RACECOURSE

The White Horse was designed as a modern glass building with a traditional pub interior. 1539 Cocktail bar & restaurant is on two levels with distinct designs, while the Partners Lounge is in a new building on the finish line. The design of the concourse bar and function areas was also completed with a full fit out service.
